Miss Edna Allen Wed In Home Ceremony

The marriage of Miss Edna Allen of Montgomery and Flowers Snellgrove of Elba took place Saturday afternoon, March 1 at 3 o'clock in the home of the groom's parents, Miss Allen is the daughter of Mr. & Mrs. Snellgrove of Elba. The Rev. B. F. Griswold of New Brockton officiated at the double ring ceremony. The decorations for the occasion were confined to the altar and consisted of a central arrangement of baskets of white gladioli, stock, and lilacs of the valley. Flanking either side were white tapers in cathedral candleholders with ferns for the background and lower arrangement. The candles were lighted by the bride and groom. A program of wedding music was presented by Miss Irene Dunavant of Montgomery. The bride was escorted by her father, who gave her in marriage. For her wedding she wore a suit of rose-buff wool shantung with a white collar and a large purple-trimmed orchid. Mrs. Lloyd Thomas Williams was her sister's only attendant. Her attire was a navy blue tulle gown with a large purple-trimmed orchid. The groom had for his best man, Lloyd Thomas Williams Jr. of Montgomery, a brother-in-law. After the ceremony, Mr. & Mrs. Allen, parents of the bride, were hosts at a reception. Miss Madlyn Brunson of New Brockton, kept the bride's book. The bride's bouquet was composed of a three-tiered cake topped with a miniature white and green and encircled with a spray of lilacs of the valley. Similar flowers were used for adornment of the table where punch was poured by Jerome Lambert of Ozark. Mrs. Allen chose for her daughter's wedding a silver-plated fill with black accessories. Pink carnations in corsage bouquet completed her costume. Mrs. Snellgrove, mother of the groom, wore black, cream-trimmed with rhinestone buttons. Her gown was a black and white with a corsage of pink carnations. Mrs. Snellgrove is a graduate of New Brockton High School. She has held a responsible position in Montgomery for several years. Mr. Snellgrove recently returned from Korea where he was on duty with the Air Force. He received his education at New Brockton High School and Stark's Military Academy. Following a wedding trip to Mobile and other coastal points of interest, the young couple will pay a short visit to their parents before leaving for Detroit, Mich. to make their home. Mr. Snellgrove is assigned there with the air corps. Mrs. Bill Maddox and children of Columbus, S. C. are visiting her parents, Mr. & Mrs. Luther Vaughn.

Three-in-One Club

The Three-in-One Club held its regular annual open meeting on Thursday night in the social hall of the Baptist church. Guests assembled in the auditorium where Mrs. Claude Dorsey furnished delightful organ music. They were then invited into the social hall where places were made for 75. A beautiful arrangement of pink gladioli and asters was the central adornment on the table. Invocation was given by Rev. M. L. Seay. Afterwards a delightful meal was enjoyed.

U. S. Needs Civil Defense

CITY AND COUNTRY DWELLERS HAVE VITALLY IMPORTANT JOBS

(This is the seventh of a series of articles on civil defense, based on the booklet "This Is Civil Defense" prepared by the Federal Civil Defense Administration. It may be obtained from the Superintendent of Documents, Government Printing Office, Washington, D. C. for 10c each.)

By MILLARD CALDWELL
Federal Civil Defense Administrator

No matter where you live—city, town or country—side-by-side with you in the enemy's high priority list for some kind of biological warfare attack. Your livestock and crops may get hit by some kind of BW, and unless you are on the lookout for a possible sneak attack on what you produce, it might be too late to do anything about it. So it is of great importance to you that you know what to do in time. Civil defense will tell you.

If you live in a small town, you have a special kind of civil defense job. And it is of great importance to you that you know what to do in time. Civil defense will tell you.

Any attack, even with regular bombs, is expensive for the enemy. Making it with atomic bombs costs a great deal more. An enemy would use atomic bombs only on targets which would pay-off in large scale damage. That means that they would probably hit only the large cities, industrial centers, and other areas which would cripple our resources and upset the morale of our citizens. By looking at it this way, you can see that there are a limited number of areas which would be hit with atomic bombs.

NEWS OF

Fish Pond & Vicinity

By Mrs. M. D. Whitaker

Mrs. Dan Kilecase visited her mother, Mrs. Armenda Wells of New Opp Sunday.

Tommy Kidd, young son of Mr. & Mrs. Wayne Kidd, spent Sunday with his grandparents, Mr. & Mrs. Dan Kilecase at Pine Level.

About BEAGLES

With Beagles the most popular of hounds, this special feature has been adapted from the color film "About Beagles". The fifteen-minute sound film is available for showing at dog club meetings and others of a similar nature. Information may be secured from the Fulton News Bureau, Checkers Square, St. Louis 2, Missouri.

Jimmy Windham, son of Mr. and Mrs. Edwin Windham left Monday for assignment with the Navy Air Force.

Mr. & Mrs. James Cody spent Sunday with Mr. & Mrs. George Cody.

CHEVROLET POWER
Vibration and power impulses are "screened out" as engine is centered and rubber-cushioned between new high-side mountings.

60DY BY FISHER
Fisher Body sets the standard for styling, for craftsmanship, for comfort, for safety, for construction, for extra strength.

Lowest priced in its field!

4-WAY ENGINE LUBRICATION
Chevrolet's exclusive engine lubrication system supplies exactly the right kind and amount of lubrication to each moving part.

POWERGLIDE AUTOMATIC TRANSMISSION
Simpler with fewer parts to wear. Smoother—no complicated intermediate gears. Optional on De Luxe models at extra cost.

CAST IRON ALLOY PISTONS
The same material as the cylinder block, pistons expand and contract uniformly. This reduces wear, lowers oil consumption.

SAFETY PLATE GLASS ALL AROUND
Chevrolet alone in its field gives you safety plate glass in windshield and all windows, for a clearer, truer all-around view.

First in a Series of Five Features

At Chavez's Bandit Kennels, the young Beagles start their training when they are introduced to a dead rabbit, freshly killed and are thus acquainted with the scent and taste of their eventual quarry. The idea is to get them excited about the game and its general appearance.

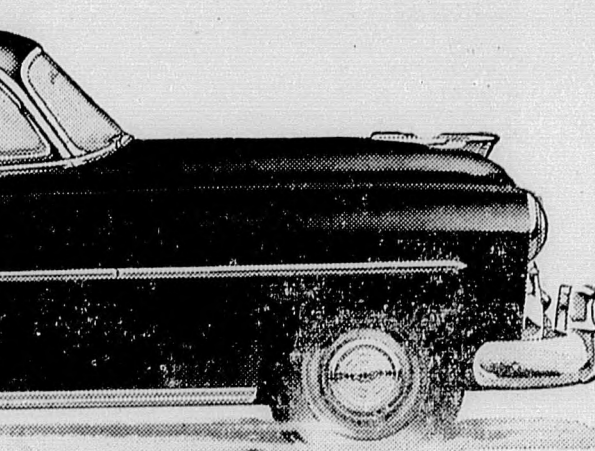

The pups start their preliminary training experience when trainer drags a rabbit around the yard.

During this stage, the fire is a 23 pistol to associate the noise of the gun with the hunt. The use of a small-caliber gun prevents the possibility of gun-shyness developing from a too-loud report.

WIDEST COLOR CHOICE
26 rich new colors and two-tone combinations are available in Chevrolet's field. New De Luxe interiors are color-matched.

WIDEST TREAD
Chevrolet measures 58 1/2 inches between centers of rear wheels and a broader base to give you more stability, less sway!

Only the New Chevrolet brings these fine features to the low-price field!

No other car in Chevrolet's field offers you a single one of these features. Yet you'll find more of them in America's most costly cars. Here's proof that you're value ahead with Chevrolet... again in 1952 the lowest-priced line in its field! Come in and look it over.

CHEVROLET
The Only Fine Cars PRICED SO LOW!
